### **Annual Report**

### 20<sup>™</sup> Anniversary Rebranding

Mammoth Lakes Housing gets a new name and a new look

Our Board of Directors adopted a comprehensive regional approach to consolidate resources and foster collaboration amongst our local partners. They recognize the difficulties our organization faces when attempting to build meaningful relationships with our regional entities when our name and identity had historically only represented one jurisdiction.

With the focused mission to support community housing in the eastern Sierra through strong partnerships, and our entrepreneurial spirit, we completed our 20th anniversary rebranding to depict our commitment to the tri-county service area of Alpine, Inyo, and Mono counties. These efforts continue our work of breaking down silos that previously inhibited collaborative initiatives to meet community needs.

Partnerships are one integral pillar of our work and we are excited to bring in new agencies, strengthen relationships, and combine our limited resources for mutual success!

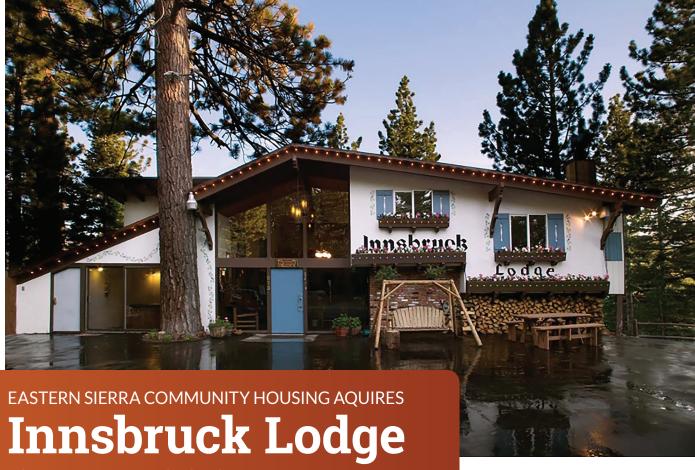

KIRK STAPP, Founder and former President, received an award for over 20 years of service at Eastern Sierra Community Housing. Thank you, Kirk, for your dedication and service to the organization and the Eastern Sierra.

Eastern Sierra Community Housing supports workforce housing for a viable economy and a sustainable community.

FOR PERMANENT HOUSING

### Through our partnership

with the Town of Mammoth Lakes, we were awarded more than \$4M in Project Homekey funds through the State Department of Housing & Community Development, for the acquisition and conversion of the Innsbruck Lodge into permanent affordable housing.

This multi-million-dollar award is one of only four awards made in rural California, and the only one serving Inyo, Mono, and Alpine counties. Substantial financial contributions from both Mono

County and the Town of Mammoth Lakes also supported this effort.

This year our Board of Directors authorized the construction contract to convert the lodge into sixteen apartments. The first five homes will be available in spring of 2024, with the remaining coming online before the end of the year.

The Lodge was built in 1964 by two Austrian families and was later owned and operated by the Albrecht family for nearly 50 years. "We have met many great people over the decades. The time has come to let the Lodge move on to the next phase of its life. We welcome Mammoth Lakes Housing [Eastern Sierra Community Housing] with Patricia Robertson at the helm. We know we are leaving the Lodge in great hands and look forward to the future of the Innsbruck Lodge," expressed the former owner, Mr. Reinhard Albrecht.

We are excited to preserve this important piece of Mammoth Lakes' history while continuing to meet the housing needs of our friends and neighbors.

ACCESS APARTMENTS: This fall Eastern Sierra Community Housing filled the final funding gap for Access Apartments, our 13-unit infill development project, with the support of Mono County and Town of Mammoth Lakes. Access Apartments and Innsbruck Lodge received more than \$10 million in State/Federal grant funding and sparked an unprecedented fundraising campaign that raised approximately \$200K in private funds from partners including Alterra Mountain Company Community Foundation, Anthem Blue Cross, US Bank, and many others. Look for construction updates later this year!

# Continuum of Care

Additional Funding for Housing Programs in the Eastern Sierra

**EASTERN SIERRA**CONTINUUM OF CARE

**Did you know** that we have a regional Continuum of Care (CoC)? A Continuum of Care is a federally designated system created to assist those experiencing homelessness and connect them with services including transitional and permanent housing, with the goal of long-term stability.

Our Continuum of Care serves the tri-county region of Inyo, Mono, and Alpine counties. Having a local CoC is important because it allows the community to access additional funding for housing programs and homelessness prevention through the State and Federal systems. The CoC is also responsible for the Annual Point In Time (PIT) Count; the one night in January when individuals and families experiencing homelessness are counted nationwide.

The Eastern Sierra Continuum of Care is currently administered by Inyo County with board representatives from Mono and Alpine counties. Other stakeholders and active participants include the Salvation Army, churches, Wild Iris, and others! Our staff have been actively supporting the coalition by assisting in the creation of policies and procedures, acting as a resource for clients, and providing other local housing expertise. If you need connection to housing or homelessness resources, you can contact our staff to navigate the process with you.

### Olya Egorov

Olya Egorov joined us in April 2023. She is eager to expand housing resources in our rural service area while building community resilience. Prior to working at Eastern Sierra Community Housing, Olya was a Water Policy Fellow where she coordinated a technical assistance program that supported lead service line replacement in four cities, focused on the city's most vulnerable populations. Olya is a graduate from the University of California, Davis with a major in Political Science – Public Service with minors in both Environmental Policy, Analysis, and Planning and Russian.

# Housing Navigators

This year we doubled our staff capacity with the addition of two full-time Housing Navigators. The Housing Navigators are our front-line employees and are available to answer questions about housing opportunities, mainstream benefits eligibility, and provide linkages to community resources. These positions are made possible through partnerships with Mono and Alpine counties. They provide a high level of customer service to our residents facing housing challenges, homelessness, landlord disputes, and more. If you are looking for housing resources, please stop by our office and meet our new team members.

Page 15 of 66

### Isaura Ocampo

Isaura Ocampo joined our team in January 2023. Isaura grew up in Mammoth Lakes where she has seen firsthand the need for housing for workforce and families in our community. She is bilingual in Spanish and English. She is passionate about her new role in housing and helping others because of the way her family was helped. She is a Bio-Chem Major with a focus on Premed at the University of Dominguez Hills in Southern California, where she also minors in cultural and ethnic studies in an effort to cultivate a better environment for her local community.

#### Dear Friend,

We had a whirlwind of a year in 2023! We spent much of the year growing our internal systems to support new programs, partnerships, fundraising efforts, and our project pipeline.

We have doubled our staff capacity and significantly increased our program offerings with housing navigation services, emergency relief, homeownership programs, and two construction projects. This is possible through our partnerships with the Town of Mammoth Lakes, Mono County, Alpine County, and the Eastern Sierra Continuum of Care. We also raised nearly \$200,000 in private funds through generous contributions from Alterra Mountain Company Community Foundation, Anthem, Century Housing, US Bank, and many full- and part-time community members. We cannot continue to do this work without this tremendous support.

In our office, we are reminded daily how the lack of stable, safe, affordable housing impacts the lives of our neighbors. We take this responsibility seriously, which is one reason why we volunteered immediately to support those that were displaced during the severe winter storms and the State of Emergency in 2022/23. We deployed \$80,000 and coordinated temporary housing placements for more than 30 households. As we tap into new resources, we hope to provide ongoing interventions and housing stabilization programs to support those in crisis.

Over the past twelve months our Board of Directors has executed a variety of contracts for architectural and construction services which will create twenty-nine new apartments in Mammoth Lakes. With every day that passes, every penny donated, and every hurdle we overcome we make progress towards delivering these units in 2024 and 2025 to households earning up to 120% of the Area Median Income.

Looking forward, we are excited to explore new development opportunities and partnerships in unincorporated Mono County and the City of Bishop. We are also working closely with our partners in Alpine County. As a 501(c)3 nonprofit organization, we are dedicated to committing excess revenue towards new homes in the pursuit of our mission to support housing for a viable economy and sustainable community.

I hope you will subscribe to our e-newsletter, attend a Board meeting, participate in a community workshop, or stop by the office for a cup of coffee and learn more about our programs, ways to get involved and contribute. We are here for you and look forward to seeing you soon.

In solidarity,

Patricia Robertson, Executive Director Eastern Sierra Community Housing

### Homeownership

Our homeownership programs continue to assist locals in purchasing homes, staying in their communities, and growing their wealth. This year, we made that a reality for six households utilizing various combinations of down payment assistance, below market rate value programs, and real estate services. We are actively working with the Town of Mammoth Lakes to grow our community land trust / below market rate value portfolio to more than fifty homes for local ownership. We have staff certified in homeownership counseling through NeighborWorks America Certification in the next 1-2 years. Look for our upcoming community workshops to learn more about the home buying process, program offerings, credit repair, and new development opportunities.

#### **RESOLUTION No. 24-05**

A RESOLUTION OF THE BOARD OF DIRECTORS OF MAMMOTH LAKES HOUSING, INC. (EASTERN SIERRA COMMUNITY HOUSING), THE SOLE MANAGING MEMBER OF ACCESS APARTMENTS AFFORDABLE HOUSING, LLC., AUTHORIZING THE EXECUTION OF ALL DOCUMENTS AND AGREEMENTS IN REGARD TO THE FINANCIAL CLOSING, TRANSFER OF OWNERSHIP, AND CONSTRUCTION INITIATION OF ACCESS APARTMENTS LOCATED AT 238 SIERRA MANOR ROAD, MAMMOTH LAKES, CA

WHEREAS, Mammoth Lakes Housing, Inc., is a California non-profit corporation (the "Company"), with a mission to support workforce housing for a viable economy and a sustainable community; and

WHEREAS, the Company is the sole managing member of Access Apartments Affordable Housing, LLC, a California Limited Liability Company (the "LLC"). The LLC has been organized to acquire, construct, and equip a 13-unit multifamily rental housing project, located at 238 Sierra Manor Road, Mammoth Lakes, California, and generally known as Access Apartments (the "Project"); and

WHEREAS, the Company, as a Community Housing Development Organization, applied for HOME funds under the State Department of Housing & Community Development (HCD) under the 2019 Notice of Funding Availability, and was awarded \$3.2 million in 2022 (19-HOME-17044); and

WHEREAS, the Town of Mammoth Lakes applied for CDBG funds under the State Department of Housing & Community Development (HCD) under the 2020 Notice of Funding Availability, and was awarded more than \$3 million in 2022 (21-CDBG-HA-00015); and

WHEREAS, the Company has secured other sources of funding for the Project including a Section 4 grant, funds from Mono County, the Town of Mammoth Lakes, the Eastern Sierra Continuum of Care, private donations, etc.; and

WHEREAS, in 2023 the final funding gap was filled through contributions from the Town of Mammoth Lakes and Mono County, a public bid process took place and a General Contractor was selected. The final construction budget is \$7.1 million. The project is nearing a proposed construction start date in June 2024.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of Mammoth Lakes Housing, Inc. on behalf of Access Apartments Affordable Housing, LLC, hereby authorizes and directs the Executive Director of the Company to take all necessary actions, and execute any and all necessary documents on behalf of the Company and the LLC, including any minor modifications that result from finalizing

negotiations, final legal review, or to meet lender requirements, including, but not limited to, grant agreements, subrecipient agreements, escrow and real estate documents, the construction contract and any and all other documents necessary to effectuate the terms of this Resolution.

BE IT FURTHER RESOLVED, that to the extent that any actions authorized by this resolution have already been performed, such actions are ratified and approved.

#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Mammoth Lakes Housing, Inc. Mammoth Lakes, California

#### Report on the Audit of the Financial Statements

#### **Opinion**

I have audited the financial statements of Mammoth Lakes Housing, Inc. (a nonprofit organization) which comprise the statement of financial position as of June 30, 2023 and 2022, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Mammoth Lakes Housing, Inc., as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Sycamore Place II Senior Housing Corporation, and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in aggregate, that raise substantial doubt about the organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually, or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, I:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the organization's ability to continue as a going concern for reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

#### Other Matters

My audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplementary information on pages 13-15 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated March 18, 2024 on my consideration of Mammoth Lakes Housing, Inc's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Mammoth Lakes Housing, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Mammoth Lakes Housing, Inc.'s internal control over financial reporting and compliance.

# MAMMOTH LAKES HOUSING, INC. A California Nonprofit Public Benefit Corporation NOTES TO FINANCIAL STATEMENTS

# Note 1: Organization and Nature of Activities

Mammoth Lakes Housing, Inc. (the "Corporation") was incorporated on July 15, 2002 to develop, own and operate low income rental housing within the counties of Alpine, Mono and Inyo. The corporation currently owns and operates two rental housing properties (5-units) and one commercial property (11-units) located in Mammoth Lakes, CA. Mammoth Lakes Housing, Inc. is the sole member in Sierra Housing Advocates, LLC, Innsbruck Lodge Affordable Housing, LLC and Valley Apartments LLC (all limited liability companies). On August 4, 2022, Innsbruck Lodge Affordable Housing, LLC acquired a 16-unit property located in Mammoth Lakes, California and is in process of rehabilitating the project for use as a low-income rental housing project. In addition, Mammoth Lake Housing, Inc. serves as the .01% Administrative General Partner in Mammoth Lakes Family Associates, a California Limited Partnership, which owns and operates a 48-unit affordable housing complex located in Mammoth Lakes, CA, and as the .01% Administrative General Partner in Mammoth Lakes Family Associates II, a California Limited Partnership, which owns and operates a 30-unit affordable housing complex located in Mammoth Lakes, CA.

# Note 2: Summary of Significant Accounting Policies

#### Method of Accounting

Mammoth Lakes Housing, Inc's combined financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred. Rental income is shown at its maximum gross potential. Vacancy loss is shown as a reduction in rental income.

The Organization adopted the provisions of Accounting Standards Update 2016-14, Presentation of Financial Statements of Not-for-Profit Entities (*Topic 958*) (ASU 2016-14). Under the new accounting policy, two net asset classes (without donor restrictions and with donor restrictions) replace former classes of net assets (unrestricted, temporarily restricted, and permanently restricted). \$95,988 represents the CalHome Program loan funding received in prior years, which has donor imposed restrictions on use. The funds are to be revolved as loans to eligible homeowners.

# Risk Reserve

As of June 30, 2023 and 2022 the organization has internally designated net assets in the amount of \$160,000 as a risk reserve.

### Cash and Cash Equivalents

Cash is defined as cash in demand deposit accounts as well as cash on hand. Not included in cash are funds restricted as the their use, regardless of liquidity, such as tenant security deposits, replacement reserve and operating reserve. Mammoth Lakes Housing, Inc. maintains its cash in bank accounts which, at times, may exceed federally insured limits. Mammoth Lakes Housing, Inc. has not experienced any losses in such accounts.

# Capitalization and Depreciation

Land, buildings, improvements and equipment are stated at cost of acquisition or construction. Maintenance and repairs are charged to expense as incurred. The straight-line method of depreciation is applied to fixed assets using estimates of useful life, ranging from five to thirty-nine years. The estimated service lives of the assets for depreciation purposes may be different that actual economic useful lives.

#### Accounts Receivable

Management has elected to record bad debts using the direct write-off method. The effect of using this method is not materially different than the allowance method under U.S. Generally Accepted Accounting Principles.

#### **Functional Expenses**

Functional expenses are allocated to a category of program services and to supporting services based on direct expenditures incurred. Expenses are presented on a functional basis in the statement of activities.

# Liquidity and Availability of Financial Assets

The following reflects the Organization's financial assets as of the statement of financial position date:

Financial Assets available to meet cash needs for general expenditures within one year:

Operating Cash: \$171,291
Operating Reserve 60,000
Accounts Receivable 76,129

Total \$ 307,420

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Income Taxes**

No income tax provision has been included in the financial statements as Mammoth Lakes Housing, Inc. has been qualified as tax-exempt under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation code. As a 501(c)(3) tax-exempt organization, the Corporation qualifies for the charitable contribution deduction. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. Sierra Housing Advocates LLC, Innsbruck Lodge Affordable Housing LLC and Valley Oaks LLC are subject to an \$800 annual tax fee, which is payable to the Franchise Tax Board.

#### **Note 3: Restricted Reserves**

Restricted reserves are held in separate bank accounts for the replacement and rehabilitation reserves for Mammoth Lakes Housing Inc.'s owned affordable housing projects.

Replacement and rehabilitation reserve balances at June 30, 2023 and 2022 were as follows:

	<u> 2023</u>	2022
Old Mammoth Lakes Tri-plex	\$ 74,177	\$ 74,177
Innsbruck Lodge Rehab	1,759,085	0
Birch Creek Condo	30,713	0
238 Sierra Manor Road	102,918	181,128
Total	\$1,966,893	\$255,305

# **Note 4: Property and Equipment**

Property and equipment consists of the following:

	<u>2023</u>	<u> 2022</u>
Land	\$3,189,077	\$ 689,077
Rehabilitation in Progress	1,539,019	275,212
Buildings, Improvements & Equipment	<u>3,161,661</u>	2,178,273
	7,889,757	3,142,562
Less: accumulated depreciation	(536,452)	(481.882)
	\$7,353,305	\$2,660,680

#### Impairment

The organization reviews its investment in rental property for impairment whenever events or changes in circumstances indicate that carrying value of such property may not be recoverable. For assets held and used, if management's estimate of aggregate future cash flows to be generated by the property, undiscounted and without interest charges estimated proceeds from the eventual disposition of the real estate are less than their carrying amounts, an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. The determination of undiscounted cash flows requires significant estimates by management. Subsequent changes in estimated undiscounted cash flows could impact the determination of whether impairment exists. No impairment loss has been recognized during the years ended June 30, 2023 and 2022.

#### Note 5: Notes Receivable

Promissory notes (2) due from eligible CalHome Program families were granted CalHome Loans totaling \$37,667, with simple interest at the rate of 3% per year on the unpaid principal balance, from the date of the note, until paid.

# Note 6: Mortgages Payable

All of the grants have recorded performance liens for 15-55 years, with regulatory agreements containing use and income limit requirements.

#### Note 9: Concentration of Risk

Mammoth Lakes Housing, Inc. is subject to various risks and uncertainties in the ordinary course of business that could have adverse impacts on its operating results and financial condition. Future operations could be affected by changes in the economy or other conditions in the geographical area where its properties are located, or by changes in federal, state and local housing (Town of Mammoth Lakes) subsidies or the demand for such housing.

# **Subsequent Events**

Subsequent events have been evaluated through March 18, 2024, which is the date the financial statements were available to be issued and there are no subsequent events requiring disclosure.

#### Note 10: Retirement Plan

The Organization contributes 6% of modified annual compensation into a 403b Plan. All salaried employees employed by the Organization qualify for the benefit. Retirement expense for the year ended June 30, 2023 was \$11,969.

# **Note 11: Compensated Absences**

Full-time employees receive annual leave based upon length of employment. Unused annual leave is paid to employees upon termination of employment and is accrued in the financial statements. Accrued compensation absences as of June 30, 2023 is \$6,409.

# Independent Auditor's Report On Supplementary Information

To the Board of Directors of Mammoth Lakes Housing, Inc. Mammoth Lakes, California

I have audited the financial statements of Mammoth Lakes Housing, Inc. for the fiscal year ended June 30, 2023, and have issued my opinion thereon date March 18, 2024, which is presented in the preceding section. My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Mammoth Lakes Housing, Inc. Mammoth Lakes, California

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Mammoth Lakes Housing, Inc. which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, and cash flows for the period then ended, and the related notes to the financial statements, and have issued my report thereon dated March 18, 2024.

# Report on Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, I do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses.

#### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the organizations's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not

express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

# Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of Mammoth Lakes Housing, Inc. Mammoth Lakes, California

Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Program

I have audited Mammoth Lakes Housing, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In my opinion, the organization complied in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal Program

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). My responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of my report.

I am required to be independent of Mammoth Lakes Housing, Inc. and to meet my other ethical responsibilities, in accordance with relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on compliance for each major federal program. My audit does not provide a legal determination of Mammoth Lakes Housing, Inc.'s compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

#### Auditor's Responsibility for the Audit of Compliance

My objectives are to obtain reasonable assurance about whether material noncompliance with he compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on my audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, I:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as I considered necessary in the circumstances.

Obtain and understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that I have identified during the audit.

#### Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance; yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

My audit was not designed for the purpose of expressing and opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
